A Highland Loch. Loch Ericht, that depicted in the view, is a fine example of Grampian scenery. It extends for about fifteen miles, the greater part of which is bulwarked with mountains. The wildness of the scenery and the gorgeous colour effects of this Highland loch remain long in the memory of the beholder.

Dear Fred,

Programme and a half to hand with thanks.
Am spending my evening wrestling with the problem as to which is Jones & which is mine.
We won this last Saturday 4-1.
Am eagerly awaiting your promised letter. It will be devoured in more senses than one

Yours
